ECONOMIC DEVELOPMENT INITIATIVE / SECTION 108 LOAN GUARANTEES

Houston's Housing and Community Development Department (HCDD) seeks to enhance Houston's affordable housing, infrastructure and economic development through the use of the Economic Development Initiative (EDI) Grant and Section 108 Loan Guarantees. Come be a part of the conversation as we discuss an amendment to HUD which will add to the list of approved funding uses. Amended uses include the ability to acquire improved or unimproved real property, including acquisition for economic development purposes which will allow HCDD to develop EDI / Section 108 projects. We strive to improve the quality of life for Houstonians and hope to hear your thoughts and ideas at the public hearing on August 8, 2017 at the West End Multi-Service Center.

The public may comment on the amendment from July 13, 2017 to August 12, 2017. Comments will be accepted at the public hearing or by mail to: City of Houston, Housing and Community Development Dept., 601 Sawyer, Suite 400, Houston, TX 77007, Attn: Peggy Colligan. Or you may email your comments to: Margaret.Colligan@houstontx.gov.
